Question: What did you like most about this class?

Response Rate: 87.23% (41 of 47)

- 1 the professor
- 2 the in-class activities we did between lectures

- 3 learning. about animals
- 4 learning about the different aspects of psychology
- 5 it was interesting.
- 6 how informative it was
- 7 What I liked most about this class were some of the interactive activities we completed as a class.
- 8 We would do fun classwork and little class experiments based on what we were learning.
- 9 This course was extremely interesting. All the material we learned was insightful and created a great foundation for future psychology classes.
- 10 There are many ways to help your grade be a passing grade rather than it just be based off of tests
- 11 The topics were interesting.
- 12 The topics
- 13 The topics and subject of class.
- 14 The teacher is entertaining and tries to relate to her students
- 15 The teacher's enthusiasm.
- 16 The subject
- 17 The room
- 18 The professor of this class is very engaging even though it is a pretty large class. The material taught was always very interesting.
- 19 The lecture room
- 20 The last unit of class was very interesting!
- 21 The efficient way of explaining course material through slides and the professor. The research requirement was fun as well.
- 22 The class was very interesting
- 23 Some topics we covered
- 24 She is extremely entertaining and really funny. She kept my attention and I learned a LOT in this class.
- 25 She had good content and had slides
- 26 Provided informative content and assignments.
- 27 Not so much work. Tests were very straightforward. She's available outside of class and answers emails very quickly.
- 28 Learning about psychology with engaging activities.
- 29 It was really interesting. Even the heavy units were fun to learn about.
- 30 I thought the information i learned was pretty cool
- 31 I really enjoyed the material taught during the lectures, it was really interesting.
- 32 I only liked certain topics
- 33 I looked forward to attending class everyday even though it cover so many different subjects not allowing to much detail into each topic I feel well informed and more educated leaving this class
- 34 I liked most the content of this class.
- 35 I liked how there were a lot of participation questions.
- 36 I like learning about all topics relating to psychology.

- 37** I had fun learning the content of the course and I looked forward to going to class.
- 38** I got to learn about human tendencies and ways people think in certain situations
- 39** I find psychology in general to be very interesting and this professor explains each chapter with great enthusiasm.
- 40** Given that this class was an introduction class, I didn't expect to learn as much as I did.
- 41** Content
